Executive Summary (AI fills)

How this template works

Preview mode uses neutral placeholders. Real org + claim + photos are injected when generating from a real claim/job.

- **Always verify** loss date, carrier/policy, and address before sending.
- **Attach evidence** photos, weather report, and any estimate/scope artifacts.
- **AI fills** executive summary + recommendations + next steps from your inputs.

Property / Claim / Job Details

Client	Sample Homeowner	Claim #	CLM-DEMO-0001
Client Phone	(555) 010-3333	Policy #	POL-DEMO-0001
